Easter 2021 edition

Artventure Studio is Reopening in April

We are glad to let you know that we are going to be back in the studio in April. First, we offer a three-day workshop on 12th-13th-14th April, (Monday, Tuesday, Wednesday). The theme of the workshop is Japan. We have a few available places left. Please let us know if you wish to join us.

Regular sessions will restart on Monday, 19th April. We are looking forward to seeing you again in the studio and we are happy to hear that most of you will be back.

Distance Program

We carry on with our Zoom sessions until Easter. Join us for our last Zoom Art with Honey on Tuesday, 30th March to make Japanese peacock fans.

Please see the short summary of the projects we have completed in March below:

We were painting cherry blossoms first with acrylic paint with the help of plastic bottles then with watercolour. These beautiful pictures brought spring to our life.

Activities enclosed

We are completing our big aquarium in the studio. Lyanne and Ellie started to work on it including your tie-dye and cyanotype pictures. You will find enclosed this envelope a blank fish pattern. Please decorate it and bring it with you next time you come to the studio. This is how the aquarium looks like now. We need lots of colourful fish to bring it alive.

You will find enclosed a project making Easter cards using an egg pattern decorated by foil prepared by Lyanne. Please have a go and send us photos of your cards.

Neil prepared the enclosed lovely Easter theme colouring picture for you. We would love to see your choice of colour.

This is Helena's squirrel from the previous package.

We wish you and your family a happy Easter Holiday.

Please stay safe and stay in touch.

We are looking forward to seeing you all very soon at the studio!
