## River Wey Project with the Meath

Our colourful joint collection with the Meath inspired by the River Wey went to the Lightbox in Woking in April and to Godalming Museum in May. Our Private Views and Meet-the-Artist events were all successful. Thank you for visiting them.

## Cooperation with Pond Meadow School

Three groups of students from Pond Meadow School visited Artventure Studio in March and April for card making workshops. Students enjoyed the sessions with us. We attended their Transition Day and were happy to see them again there.

## New Artventure Garden

We were working on our new garden during April and May, and it was officially opened in June. Thank you for your donations and time you offered us to complete this project. Participants love the swing and we often ate outside our lunch in the past weeks. We are now looking for a volunteer who could visit our garden once a week for a few hours to do some gardening with the participants there and help us keeping it tidy. It is 2-3 hours a week and very flexible timing. Please let me know if you know about someone who would be interested.

### Artventure Studio at Gosden House School

We opened our Studio at Gosden House on Monday, 15 April 2024. We had a lovely summer term there and we are looking forward to the next school year. At the moment we offer sessions only on Monday, but we hope to start sessions on Fridays as well in January.

### Joe's Multiverse – Joe Gamble's Solo Exhibition

In May we had an amazing collection of drawings, paintings and prints by Joe Gamble displayed at The Electric Theatre. The Meet-The-Artist event on 9<sup>th</sup> May was a great success with a lot of people admiring Joe's work.

### Surrey Artists' Open Studio and BBQ

We had over 100 artworks exhibited in our Studio in Merrow during Open Studios in June. We received very good feedback from our 140 visitors during the three weeks of the exhibition. The highlight of SAOS was the BBQ where many of you joined us and had a great afternoon together with good food and lovely music.

### 40<sup>th</sup> Anniversary Celebration

2024 marks the 40<sup>th</sup> Birthday of Artventure and we would like to celebrate this important milestone together with you. You are invited to our 40<sup>th</sup> Anniversary Celebration on Tuesday, 22 October from 6pm at West Horsley Place. **Please save the date. More detailed invitation will follow in September.**

### Summer Holidays

We break up for the summer after the session on Friday, 26 July and we will be back on Monday, 2<sup>nd</sup> September.

**Have a fantastic summer and we will see you all in September ready for some more adventures.**
