Birds and Trees Collection in Godalming

We brought our precious Birds and Trees Collection to Godalming, to the lovely office and social space of What Next Climate Emergency Centre. (Address: 11 Wharf Street, Godalming, GU7 1NN) Please enjoy the works of 15 of our participants which were created partly during the lockdowns and the months after when we were able to create artworks together again. We will organize visits for the participants in September and October. During these visits we will have the chance to learn about our planet and climate change.
